1.3 O.S.C. POLICY 5.6 - PROMPT OFFERING QUALIFICATION SYSTEM (AMENDED)

THIS REPLACES THE NOTICE IN THE OSCB APRIL 29, 1983, PAGES 756 -757

NOTICE

OSC POLICY 5.6 - PROMPT OFFERING QUALIFICATION SYSTEM

Effective immediately, the Commission has approved the following amendments to O.S.C. Policy 5.6 (the "Policy") entitled Prompt Offering Qualification System ("POP System"):

1. Secondary offerings of the securities of qualified issuers are now permitted pursuant to the POP System.
2. The Commission has reinstated the requirement for the written consent of an "expert" who is named as having prepared or certified any part of a document specifically incorporated by reference in a short form prospectus or is named as having prepared or certified a report or valuation used in a document specifically incorporated by reference in a short form prospectus.

A revised version of the Policy reflecting the above changes (as well as certain housekeeping amendments) will be published as soon as possible.

The Commission believes that the extension of the POP System to secondary offerings of the securities of qualified issuers is consistent with the underlying policy of the system, since for such offerings, no less than for primary offerings, there is no reason to require repetition in the offering document of information concerning the issuer which has already been published and disseminated into the public trading markets.

With respect to the consent of "experts", the Commission was concerned as to whether not requiring the consent of an "expert" in relation to a document specifically incorporated by reference in a short form prospectus was consistent with the stated aim of the Policy of streamlining offering procedures without reducing the existing benefits of investor protection (see clause 126(1)(d) of the Securities Act, the civil liability provision relating to reports, opinions or statements by "experts" in prospectuses). The original version of the Policy included a provision (section 6.3 of O.S.C. Policy 3-67, as published October 29, 1982) which required the written consent of an "expert" in relation to documents specifically incorporated by reference in a short form prospectus. This provision was removed because of concern that such a requirement, especially as it relates to the auditor's report on the issuer's annual financial statements, would prejudice the effective operation of the system, given the additional time that it was anticipated would be necessary to accommodate the auditor's involvement in the offering process. However, consent letters continued to be required under the relevant policies of certain other jurisdictions (notably Manitoba, Saskatchewan and Alberta) and in practice, this requirement has not proved to be an impediment to the effective operation of the POP System. Therefore, after consultation with affected parties, including members of the accounting profession, the requirement in the Policy for consents of "experts" in relation to documents specifically incorporated by reference in a short form prospectus has been reinstated. (It should be noted that the Commission continues to be of the view that if an "expert" is named as having prepared or certified any part of a short form prospectus or is named as having prepared or certified a report or valuation used in or in connection

with a short form prospectus, the written consent of the "expert" is required by subsection 23(1) of the regulations under the Securities Act.)

The Commission has noted the provisions of the relevant policies of Manitoba and Saskatchewan which require an auditor's comfort letter in relation to unaudited financial statements specifically incorporated by reference in a short form prospectus. While the Commission has decided not to include this requirement in the Ontario Policy at this time, this subject will remain under review in light of further experience with the operation of the POP System .

1.4 DISCOUNT BROKERAGE AND THE ROLE OF FINANCIAL INSTITUTIONS

N O T I C E

DISCOUNT BROKERAGE AND THE ROLE
OF FINANCIAL INSTITUTIONSMEETING AND HEARINGS
JUNE 20 - 24, 1983

Following the hearing last summer on the issues of institutional ownership of and diversification by securities dealers the Commission issued its Report to the Minister of Consumer and Commercial Relations dated December 14, 1982. Since that time the unfixing of commission rates by the repeal of Part XV and sections 22.93 and 22.99 of the General By-law of The Toronto Stock Exchange effective April 1, 1983 and the establishment of discount brokerage operations have raised new questions regarding the proper role of financial institutions, such as banks and trust companies, in the securities brokerage industry.

Under paragraph 34(1)11 of the Securities Act banks and trust companies are entitled to execute unsolicited orders to purchase or sell through a registered dealer as agent for their customers free from the usual registration requirements. In addition a "Type II Registration" as a dealer is available to chartered banks permitting solicitations in certain limited circumstances, confirming the general prohibition against soliciting trades of securities and stipulating the circumstances in which a solicitation occurs. The unfixing of commission rates may result in significant changes in the nature and economics of the securities brokerage industry and has raised significant public policy and legal issues concerning the permitted activities of banks and trust companies under the Securities Act and under the "Type II Registration" for banks and concerning the nature and extent of the role of financial institutions, such as banks and trust companies, in the industry.

In response to the request of the Ontario Securities Commission referred to in its press release dated April 13, 1983, The Toronto Dominion Bank has delayed the introduction of its Green Line Investor Service through which the bank would propose to make available to its customers the opportunity to take advantage of the greatly reduced commission rates resulting from the abolition of fixed commissions through a special TD "Stock'n Trade Account" providing (i) monthly up-dates on cash flow activity and balances, (ii) safekeeping services, (iii) portfolio evaluation reports, (iv) detailed monthly trading activity reports plus daily interest on credit balances. After an account had been opened and accepted, buy and sell orders would be placed by the customer through a Green Line Investor Service Client Representative at the bank's head office who would in turn direct them to a registered broker. Questions have arisen as to:

- (a) whether it is in the public interest to permit financial institutions to expand their role in the securities brokerage industry in this manner;
- (b) whether activities such as those proposed by the bank fall within the provisions of paragraph 34(1)11 of the Securities Act and the terms of a "Type II Registration"; and

- (c) whether the exemptions contained in paragraph 34(1)11 of the Securities Act and the terms of a "Type II Registration" conform with public policy.

Charles Schwab Canada Inc. ("Schwab") has made an application to the Commission under section 73 of the Securities Act for a ruling that section 133 of the Regulation pertaining to non-resident ownership not apply in connection with Schwab's application for registration as a securities dealer. In the same application Schwab has also requested the Commission to permit a carrying broker which is a member of The Toronto Stock Exchange (the "TSE") to execute and clear trades on behalf of an introducing broker on a "fully disclosed" basis as distinguished from the present situation under the General By-law of the TSE which permits omnibus trading only by carrying brokers on behalf of introducing brokers. Shares representing 4% of the votes and 90% of the equity of Schwab will be owned by Charles Schwab & Co., Inc., which is a wholly-owned subsidiary of BankAmerica Corporation. Schwab's proposed business will be limited to executing trades on behalf of customers without providing any investment advice.

This application raises questions relating to the ownership of, or investment in, the securities industry by non-residents and in particular by non-resident financial institutions.

At the conclusion of this open meeting the Ontario Securities Commission intends to convene two hearings:

1. A hearing under sections 26 and 124 of the Securities Act to determine whether the proposed activity of The Toronto Dominion Bank is in the public interest.
2. A hearing to consider the application of Charles Schwab Canada Inc.

Notices of these two hearings will be given by the Commission to the appropriate persons in due course.

Purpose

Accordingly the Ontario Securities Commission proposes to hold an open meeting to consider the role of financial institutions, such as banks and trust companies, in the securities brokerage industry. It is not the Commission's intention to reconsider the matters already dealt with at the hearing held last summer on the issues of institutional ownership of and diversification by securities dealers.

As indicated above, important public policy concerns are raised by these issues and it is the intention of the Commission and other securities administrators participating in the proceedings to consider the public policy issues involved in light of the evidence presented and the submissions made, and where appropriate, make recommendations to their respective governments as to the manner in which the public policy issues may be resolved.

Time and Location

The open meeting will commence at:

10:00 o'clock in the forenoon
Monday, June 20, 1983

or so soon thereafter as the meeting can be held at:

The Harry S. Bray Hearing Room
Ontario Securities Commission
Cadillac Fairview Tower
Suite 1800,
20 Queen Street West
Toronto, Ontario

The Ontario Securities Commission has set aside the week of June 20, 1983 for this meeting and the following hearings.

Counsel

James Bradshaw, Q.C. of Messrs. Campbell, Godfrey & Lewtas and Harry Malcolmson, Legal Advisor to the Director of the Commission, have been appointed to represent the Commission staff in the proceedings. They will be assisted by Grant Haynen of Messrs. Campbell, Godfrey & Lewtas and by Heather Main of the Commission staff.

Participation by Securities Administrators of Other Provinces

Invitations to join in the open meeting are being issued by the Ontario Securities Commission to the securities administrators of the other Canadian jurisdictions.

Submissions

Interested parties are invited to make written submissions to the Secretary to the Commission, Ontario Securities Commission, Suite 1800, Box 55, 20 Queen Street West, Toronto, Ontario M5H 3S8, by no later than Friday, June 10, 1983. Those making such submissions are requested to provide fifty copies to the Secretary of the Commission.

Those wishing to appear in person or through counsel at the meeting are requested to advise the Secretary to the Ontario Securities Commission (963-0216) of such intention and of the length in time which their oral submission will take by no later than Friday, June 10, 1983 so that a Schedule of Appearances may be prepared.

Suitability Rule

In its press release dated April 13, 1983 the Ontario Securities Commission indicated that a central issue of the hearing it was proposing to convene to consider questions raised by the unfixing of commission rates would be whether clients of brokerage firms should be able to waive the "suitability rule" and, if so, in what circumstances. In view of the subsequent decision of the Commission to hold this open meeting to consider the broader issues regarding the role of financial institutions in the securities brokerage industry, it has decided to postpone, until a subsequent open meeting to be held later this year, consideration of the suitability rule and whether it continues to be an appropriate and effective protection for investors having regard to the costs of discharging the responsibilities which it imposes and, if so, whether there are any circumstances in which it should not apply.

DATED in Toronto May 5, 1983.

1.5 REQUEST FOR COMMENTS - PUBLIC OWNERSHIP RESTRICTIONS

NOTICEREQUEST FOR COMMENTSPUBLIC OWNERSHIP RESTRICTIONS

Currently neither the Securities Act (Ontario) (the "Act") nor the Regulation made thereunder (the "Regulation") deals specifically with dealer registrants who wish to raise capital by distributing their securities to the public through a prospectus.

In 1980 two members of The Toronto Stock Exchange (the "TSE") announced that they wished to make a public distribution of their securities and one of these members went public earlier this year.

In 1980 the Canadian self-regulatory organizations, including the TSE and the Investment Dealers Association of Canada, formed a Joint Industry Committee on Public Ownership in the Canadian Securities Industry which published its report in March, 1981 (the "Public Ownership Report"). The Public Ownership Report recommended, inter alia, that no outside non-industry investor and his associates or affiliates be permitted to own more than 10% of the outstanding voting or participating securities of a securities dealer that made a public distribution of its securities.

On May 29, 1981 the TSE adopted By-law 244 to implement the Public Ownership Report. On July 27, 1981, the Ontario Securities Commission (the "Commission") held a hearing with respect to the Public Ownership Report and By-law 244. As a result of the hearing, the Commission requested that certain changes be made to By-law 244. The requested amendments were made by the TSE on October 20, 1982 (see TSE Notice to Members No. 3455). The Commission then adopted, as an interim measure, OSC Policy 3-62 "Public Ownership of Dealers; Condition of Registration, Diversification and Institutional Ownership" pending a public hearing on Institutional Ownership and Diversification (see (1981), 2 O.S.C.B. 103E).

Subsequent to the direction by the Commission the TSE amended By-law 244 by By-law 269 effective January 12, 1982 and the Commission advised the TSE that it had no further objection to the By-law.

The Commission is publishing with this Notice a draft regulation with respect to public ownership restrictions which parallels the provisions of the TSE General By-law with respect to securities dealers that go public. A regulation has been published under the Canada Business Corporations Act (the "CBCA") providing that the Act and Regulation would qualify as a "prescribed law of...of province" for the purposes of a corporation adopting the constrained share provisions of the CBCA (see Canada Corporations Bulletin Special Edition 1983 p.1). In addition a draft regulation under the Business Corporations Act, 1982 (Ontario) has been proposed permitting corporations registered under the Act which are qualified as members of a stock exchange to adopt constrained share provisions in order to limit the ownership of shares consistent with the draft public ownership restrictions, the Act and Regulation and the TSE General By-law.

Comments are requested with respect to the draft regulation for public ownership restrictions following this Notice. Comments should be submitted on or before June 4, 1983 to:

The Secretary
Ontario Securities Commission
Suite 1800
Box 55
20 Queen Street West
Toronto, Ontario M5H 3S8

Comments received will be made available for public inspection unless confidentiality is specifically requested.

The Option Agreement provides, inter alia, that the Option may be exercised from time to time on or before 4:00 p.m. (Toronto time) on February 27, 1987 by written notice to LHH with a closing of the purchase and sale of that number of the Optioned Shares to which such written notice pertains to occur on a date (the "Closing Date") thirty (30) business days thereafter; and
8. The Settlement Agreement and the settlement thereby proposed (including the granting of the Option) is conditional upon, inter alia, the receipt by LHH of a ruling, order or other evidence satisfactory to LHH and Harding that the granting of the Option shall not be and is not subject to sections 24 or 52 of the Act;

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED pursuant to subsection 73(1) of the Act that neither the proposed trade in the Option to the Optionees nor the transfer of the Optioned Shares in accordance with the terms of the Option Agreement is subject to section 24 or 52 of the Act, provided that:

1. Notwithstanding paragraph 11 of the Option Agreement, the Option shall not be transferred, except by testamentary disposition or pursuant to the laws of descent and distribution, without a further ruling of the Commission;
2. Within five (5) business days of the date of this ruling, LHH shall file with the Commission a signed certificate, in form and substance satisfactory to the Director, to effect that LHH has no knowledge of any material change which has occurred in the affairs of Harding which has not been generally disclosed and reported to the Commission, nor has LHH any knowledge of any other material adverse information in regard to the current and prospective operations of Harding which have not been generally disclosed; and
3. (a) In respect of each trade in the Optioned Shares pursuant to the exercise of the Option, LHH shall file with the Commission:
 - (i) at least seven (7) days and not more than fourteen (14) days prior to the Closing Date in respect of each such trade, a notice of intention to sell and a declaration in the form contemplated by sub-subclauses 71(7)(b)(i) A and B of the Act; and
 - (ii) within three (3) days after the Closing Date in respect of each such trade, a report of the trade in the form prescribed by Part XX of the Act;

PROVIDED, HOWEVER, that, as at the date of each such trade, Harding shall:

- (i) be, and shall have been for at least the immediately preceeding eighteen (18) months, a reporting issuer under the Act; and
- (ii) not be in default of any requirement of the Act or the Regulation under the Act; or

- (b) Each trade in the Optioned Shares pursuant to the exercise of the Option is otherwise exempted from sections 24 and 52 of the Act by subsections 34(1) and 71(1) of the Act, respectively.

RULING
(Section 73)

UPON the application of Herman Becker-Fluegel (the "Vendor") to the Ontario Securities Commission (the "Commission") pursuant to section 73 of the Securities Act, R.S.O. 1980, chapter 466 (the "Act") for a ruling that certain trades of previously issued common shares by the Vendor to Great Horn Mining Inc. ("Great Horn") are not subject to section 24 or 52 of the Act;

AND UPON it appearing to the Commission that:

1. The common shares that are the subject of this ruling (the "Shares") are shares of certain Canadian corporations, a list of which is annexed as Schedule "A" hereto (collectively the "Hirshhorn Corporations") which shares were purchased by the Vendor from the executors of the Estate of Joseph H. Hirshhorn relying upon the exemption in clauses 71(1)(b) and (c) of the Act and the regulations thereunder (the "Regulations") as part of the acquisition by the Vendor of all of the Estate's interests in eighteen corporations;
2. The vendor is the Chairman of the Board of Great Horn and holds approximately 45% of the issued and outstanding shares of Great Horn, a public corporation incorporated under the laws of the State of Delaware, one of the United States of America;

4. The Vendor entered into an agreement of purchase and sale with Great Horn on February 8, 1983 to transfer the Shares at the identical price to that which the Vendor paid on acquisition of the Shares. Such agreement has been approved by the board of directors and the shareholders of Great Horn;

5. The Toronto Stock Exchange has approved the trades of the Shares to the Vendor and the proposed trades from the Vendor to Great Horn;
6. The Vendor is unable to use the exemption contained in clauses 71(7)(b) and (c) of the Act as a result of the provisions of section 19c(1) of the Regulations;

AND UPON being satisfied that to make such a ruling would not be prejudicial to the public interest;

IT IS HEREBY RULED pursuant to subsection 73(1) of the Act that the trades of the Shares of the Hirshhorn Corporations, as shown on Schedule "A" hereto, are not subject to section 24 or 52 of the Act provided that Great Horn provides to the Commission forthwith an undertaking, the form and language of which is satisfactory to the Director, to comply with the requirements of the Act and the Regulations with respect to any subsequent distribution of the Shares.

NOTICES

1.1 CHARLES SCHWAB CANADA INC.

N O T I C E

CHARLES SCHWAB CANADA INC.;

Withdrawal of Application Under Section 73

On May 5, 1983 the Commission announced it would convene a Hearing to consider the application of Charles Schwab Canada Inc. under Section 73 of the Securities Act.

By way of a letter dated May 11, 1983 the application has been withdrawn as Charles Schwab Canada Inc. does not intend to proceed with its plan to establish a discount brokerage business in Canada.

1.2 MUTUAL FUNDS - AUTOMATIC INVESTMENT OF DISTRIBUTIONS

N O T I C E

Mutual Funds - Automatic Investment of Dividends
or Distributions in Additional Shares or Units

Most publicly distributed mutual funds have arrangements which permit their shareholders or unitholders ("Unitholders") to have all dividends or net income and/or net realized capital gains ("Distributions") attributable to the shares or units ("Units") held by them automatically reinvested in additional Units of the same fund or the same section of the same fund without payment of a sales charge. In this notice such an arrangement is referred to as a "Re-investment Plan". Some mutual funds require their Unitholders to specifically request the right to participate in their Reinvestment Plan and some funds stipulate that their Reinvestment Plan applies to all Unitholders other than those who specifically request that they receive their Distributions in cash.

Many mutual funds have, in the past, distributed additional Units pursuant to a Reinvestment Plan on the understanding that such distributions were exempt from the requirements of sections 24 and 52 of the Securities Act, R.S.O. 1980, c.466 (the "Act") by virtue of sections 34(1) 12 i or iii and 71(1)(f)(i) or (iii) of the Act. The Commission is of the view that these exemptions do not apply to such distributions nor do any other exemptions presently contained in the Act or the regulations made thereunder ("Regulations"). Consequently, section 70 of the Act requires a mutual fund to send a copy of an up-to-date prospectus annually to each participant in its Reinvestment Plan and unless another exemption is available, requires that all trades in Units issued pursuant to its Reinvestment Plan be made through a registrant.

The Commission is of the view that the costs to a mutual fund of mailing a copy of its current prospectus (assuming it has an up-to-date prospectus) to Unitholders who wish to participate in its Reinvestment Plan significantly outweighs the benefit to such Unitholders of receiving the prospectus and that trades made pursuant to a Reinvestment Plan need not be conducted through registrants. Consequently, the Commission has made a ruling pursuant to section 73 of the Act which exempts trades in Units issued under a Reinvestment Plan from the requirements of sections 24 and 52 of the Act provided that no sales charges are payable and that the mutual fund advises all participants in its Reinvestment Plan, annually, either that a current prospectus of the fund is available upon request or that there is no up-to-date prospectus for the fund either because the fund no longer issues Units except under its Reinvestment Plan or for some other reason.

This ruling, a copy of which appears in Chapter 2 of this bulletin, applies to both incorporated and unincorporated mutual funds whether they presently accept new subscriptions or have ceased to do so.

2.8 MUTUAL FUNDS - AUTOMATIC INVESTMENT OF DISTRIBUTIONS

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

UNITS OF MUTUAL FUNDS

RULING
(Section 73)

UPON the application of the Director to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, chapter 466 (the "Act") with respect to trades in shares or units of mutual funds made to shareholders or unitholders who wish the dividends or distributions of income or capital gains attributable to their shares or units to be automatically invested in additional shares or units;

AND UPON it appearing to the Commission that:

- A. many mutual funds permit holders of their shares or units ("Unitholders") to have the dividends or distributions of income and/or capital gains ("Distributions") attributable to the shares or units ("Units") held by them automatically invested in additional Units of the same mutual fund or section of the mutual fund as the Units to which the Distributions are attributable, such an arrangement being herein referred to as a "Reinvestment Plan";
- B. some mutual funds require Unitholders wishing to participate in their Reinvestment Plans to indicate, in writing, that they wish to do so whereas other mutual funds are established so that their Reinvestment Plans apply to all Unitholders unless they advise the funds, in writing, that they do not wish to participate in the Reinvestment Plans; and

1. no sales charge is payable in respect of the trade; and
2. each participant in the plan receives annually:
 - (i) notice of his right to withdraw from participation in the plan; and

2.10 IRWIN TOY LIMITED

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF IRWIN TOY LIMITED

AND

IN THE MATTER OF THE DOFASCO EMPLOYEES'
SAVINGS AND PROFIT SHARING FUND

AND

IN THE MATTER OF THE DOFASCO SUPPLEMENTARY
RETIREMENT INCOME PLAN

RULING
(Section 73)

UPON the application of Dofasco Employees' Savings and Profit Sharing Fund (the "Fund") and the Dofasco Supplementary Retirement Income Plan (the "Plan") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, Chapter 466 (the "Act");

AND UPON the Fund and the Plan having represented to the Commission that:

- (i) each of the Fund and the Plan is recognized by the Commission as an exempt purchaser for the purposes of clause (c) of subsection 71(1) of the Act;
- (ii) each of the Fund and the Plan purchased on or about March 25, 1983 \$1,500,000 aggregate principal amount of 12 1/2% Convertible Subordinated Debentures due August 15, 1992 (the "Debentures") of Irwin Toy Limited ("Irwin");
- (iii) each of the Fund and the Plan purchased the Debentures as principal;
- (iv) the Debentures were issued under a trust indenture dated as of March 15, 1983 and made between Irwin and The Royal Trust Company (the "Indenture") and by virtue of the provisions of the Indenture are convertible, in accordance with the applicable provisions of the Indenture, for non-voting ordinary Shares without par value of Irwin (the "Shares");
- (v) Irwin is a reporting issuer within the meaning of paragraph 38 of subsection 1(1) of the Act, and the Shares are listed and posted for trading on The Toronto Stock Exchange; and
- (vi) Irwin's name does not appear on the list of defaulting reporting issuers maintained by the Commission pursuant to subsection 71(9) of the Act and, to the best of the knowledge of the Fund and the Plan, Irwin is not in default of any requirement of the Act or the regulations thereunder;

AND UPON the Commission being satisfied that to make this ruling would not be prejudicial to the public interest;

IT IS RULED, pursuant to subsection 73(1) of the Act, that any first trade by the Fund or the Plan (whichever of them makes such trade being hereinafter referred to as the "vendor") in Shares acquired by the vendor on the conversion, pursuant to the provisions of the Indenture, of the whole or any portion of any Debenture for Shares is not subject to section 52 of the Act on the following terms and conditions:

1. at the time of such trade, Irwin is a reporting issuer and is not in default of any requirement of the Act or the regulations thereunder;
2. the applicable hold period has elapsed from the date on which the purchase of the Debentures by the Fund and the Plan is completed;
3. the vendor files with the Commission a report of the trade in prescribed form within 10 days of the trade;
4. if, when any of such Shares are acquired by the vendor on the conversion of any of the Debentures, the number of Shares beneficially owned by, and the number of Shares that would be issued or transferred on the exercise of all currently exercisable rights of purchase, conversion or exchange to, the vendor and all vendor-related parties exceeded, in the aggregate, 5 per cent of the total number of the outstanding Shares, the shares so acquired have been held by the vendor for at least 60 days following the date upon which the vendor filed with the Commission, Irwin and each stock exchange upon which there were then listed and posted for trading securities of any class or kind of Irwin a notice disclosing:
 - (i) the fact of such acquisition and particulars thereof; and
 - (ii) the date upon which the vendor then proposed to first make a trade in Shares so acquired, or, if the vendor did not then propose to make such a trade, a statement to that effect;
5. such trade is not a distribution as defined in subparagraph iii of paragraph 11 of subsection 1(1) of the Act; and
6. no effort is made to prepare the market or create a demand for Shares and no extraordinary commission or consideration is paid in respect of such trade;

and for the purposes of this Ruling:

- (a) "hold period" means:
 - (i) six months if, at the time of the trade, Shares are listed and posted for trading on The Toronto Stock Exchange and comply with the requirements of either clause 388(1)(m) or (n) of the Insurance Act;
 - (ii) if subparagraph (i) of this paragraph (a) is not applicable and if, at the time of the trade, Shares are listed and posted for trading on The Toronto Stock Exchange, twelve months; and
 - (iii) Eighteen months in any other case; and
- (b) "vendor-related parties" means the associates and affiliates (each as defined in the Act) of the vendor and all persons and companies (each

as defined in the Act) with whom the vendor, at the time that the Shares intended to be traded pursuant to this ruling were acquired on the conversion of Debentures, intended to act in concert in making trades in securities of any class or kind of Irwin, other than any registrant engaged on the usual terms solely for the purpose of making such trades;

AND IT IS RULED that the foregoing exemption and the conditions thereto apply, mutatis mutandi, to the first trades in Shares acquired by the Fund or the Plan on the conversion of debentures of other denominations into which the Debentures may be converted or as a result of the conversion of only part of any Debenture for Shares, in each case in accordance with the provisions of the Indenture.
